

PRE-REGISTRATION FORM AP[®] STATISTICS

Student Name (print): _____

Date: _____

This course follows the scope and sequence of the AP[®] Statistics course as described by the Advanced Placement Program. The curriculum is adjusted each year when the publication of curriculum changes. This class will be taught as a college-level course. Students should be prepared to handle the rigor. Students enrolled in the class must take the AP[®] exam in May. Preparation for this exam will be throughout the year. Graphing calculators are used extensively. Students will be required to purchase an additional text for this class. Summer preparation work may be required and assigned prior to summer vacation. Students interested in enrolling in AP[®] Statistics should select AP[®] Statistics when completing their on-line registration. This form should be completed by the requested deadline. This helps with scheduling and the preparation of summer materials. *Enrolled students must have completed form on file by the first day of class.* Any questions regarding the course should be directed to Mr. Sullivan, Mrs. Strand or Mrs. Achbach.

Prerequisites: Students should understand that this course is designed to be a fourth-year math course, and the equivalent of an introductory, one-semester, non-calculus based, college-level statistics course. The course requires a working knowledge of Algebra 2 and quantitative reasoning.

This course requires more reading and writing than most traditional math courses.

It is strongly recommended that students have at least a C average or higher in Algebra II. A student needs to be self-motivated and willing to work in this course.

STUDENT SECTION Please read the following and acknowledge with your signature:

By signing up for this course, I understand that this is a challenging college-level class offered in a high school setting. Furthermore, I understand that I will be expected to participate fully in the class as well as complete all assigned tasks, which will include reading, writing, individual and group projects, etc. I will also take the AP[®] exam in May, for which we will prepare all year.

PARENT SECTION Please read the following and acknowledge with your signature:

By signing up for this course, I/we understand that my/our child is enrolling in a challenging college-level class offered in a high school setting. Furthermore, I/we understand that my/our child will be expected to participate fully in the class as well as complete all assigned tasks, which will include reading, writing, individual and group projects, etc. My/our child will also take the AP[®] exam in May, for which we will prepare all year. Payment of a testing fee (approximately \$90) will be due and collected in the spring prior to completion of the AP[®] test.

Parent Signature _____ Date _____

STM COURSE WITHDRAWAL POLICY: Read carefully and initial below

Students enrolled in yearlong courses must complete the full year in order to receive credit. If a student withdraws from the class at any time before the end of a semester, he/she will receive a "WF" (Withdrawal-F). This will be placed on the transcript and figured into GPA. If a student drops a yearlong course at semester time, he/she will not receive credit or the grade received for the semester completed. The full year must be completed to receive credit and to have the grade count towards the student's GPA. If the student drops the class at the end of the first semester, there will be a "W" (Withdrawn from class) placed on the transcript for both semesters. Administration discretion may be used in extreme circumstances.
