Note 1: A person found guilty of a third offense will be ineligible for one year from the date he/she committed the third offense.

Note 2: You are a Catholic School Student 24/7/365.

Note 3: The RCCSS Alcohol, Drugs, and Vaping Policy is cumulative over the years you are in attendance.

Note 4: If the student decides to transfer because of any penalty imposed, please read the SDHSAA By-Law listed below.

SDHSAA BY-LAW: CHAPTER 2, PART 1, SECTION 1, LETTER (d), PAGE 10

Paragraph 2: The student who would be ineligible at their previous school may not become eligible for competition at any level by transferring.

Note under (D) As these are student penalties and not penalties against the school, the penalty follows the student. A change in schools does not erase the violation or the penalty for the violation.

DRUG CONVICTION

Any person adjudicated, convicted, or the subject of a suspended imposition of sentence for possession, use, or distribution of controlled substances or marijuana is ineligible as set forth by the SDHSAA. See State Statues Section of the SDHSAA Handbook

Page 4-5, under SDCL 13-32-9

Any athlete pending a court appearance for a drug related incident is suspended from further competition until the court appearance takes place and a verdict is rendered.

Any RCCSS activity may enforce a penalty greater than those in this policy based on the circumstances of each incident.
